### REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the instant claims are allowable over the prior art of record, because the prior art is silent to a connecting structure of a conductive connecting tab of a battery, wherein said conductive connecting tab is made of nickel and mounted on a battery element and connected to an inner wall surface of a battery case, where said connective structure comprising a plurality of bumps for projection welding are positioned face-to-face to the inner wall surface or the surface of the cover made of soft steel of the battery case and are bonded by projection welding.

### CONCLUSIONS

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
